 https://github.com/jaiharijayapaul

PROFESSIONAL SUMMARY:

Aspiring Data Science and AI/ML Engineer with a strong foundation in Python and machine learning, skilled in data analysis, predictive modeling, and AI applications. Developed AI/ML projects involving predictive maintenance and intelligent revenue recovery, with hands-on experience in data preprocessing, feature engineering, model evaluation, and problem-solving. Eager to learn emerging technologies and contribute to real-world AI/ML solutions.

EDUCATION:

RVS College Of Arts & Science, Sulur.		2024-Present
Bachelor's in AI and ML	72%	
TMHNU Matric Higher Sec School, Theni.		
HSC	81.3%	2022
SSLC	91.8%	2020

SKILLS:

- **TECHNICAL SKILLS:** Python, NLP, GenAI, SQL, Streamlit, Deep Learning, ETL.
- **SOFT SKILLS:** Leadership, Presentation Skills, Teamwork, Adaptability.
- **TOOLS & IDE's:** VS Code, GitHub, Power BI, Antigravity, Jupyter Notebook.

PROJECTS:

- **Predictive Maintenance of Elevators Using Machine Learning** **2026**
 - Developed an AI-powered elevator predictive maintenance system using Python, Streamlit, and Scikit-learn to analyze 16+ sensor parameters and classify elevator health; built an end-to-end machine learning pipeline with preprocessing, feature engineering, SMOTE, and model comparison, achieving 100% accuracy and F1 score with Random Forest.
- **ReviveAI: AI-Powered Revenue Recovery**
 - Developed ReviveAI, an AI-powered payment recovery platform using Python, FastAPI, PostgreSQL, machine learning, and Google Gemini to predict transaction risk and recommend recovery actions. Built a React dashboard for payment monitoring, analytics, and simulations. Implemented data preprocessing and feature engineering to improve prediction reliability.

INTERNSHIPS:

- **AI/ML Intern | InternPe**
 - Gained hands-on experience in Python, machine learning, data analysis, and AI applications through practical projects using real-world datasets, applied data preprocessing, exploratory data analysis and model development to strengthen practical machine learning and problem-solving skills.
- **Student Placement Coordinator Intern | RVS College of Arts and Science**
 - Currently coordinating campus recruitment activities, maintaining placement documentation and student-related data, supporting recruitment events, and facilitating communication between students and recruiters.

CERTIFICATIONS:

- Microsoft Azure AI Essentials - MICROSOFT & LINKEDIN **2025**
- GenAI Powered Data Analytics Job Simulation - FORAGE & TATA
- Data Analytics Job Simulation - FORAGE & DELOITTE **2026**
